To: Child and Adult Care Food Program Sponsoring Organizations

From: Mary Szafranski
Acting Director, Student Services

Subject: Student Services Director

The Department of Education wishes to announce that Ms. Lynne Dulin has chosen to accept a position outside of Student Services. Ms. Dulin devoted twenty years to ADE and her expertise and knowledge will be truly missed.

Student Services currently operates under the guidance of myself, and the program team leaders. ADE's Administration continues its support of the Child and Adult Care Food Program and the participants thereof. No interruption in the operation of CACFP is anticipated.

Please contact Melissa Steinle, CACFP Team Leader at 602.542.8710 if program concerns need to be addressed.
